So why mess with success? The standalone expansion pack Legends of Aranna, which comes bundled with the original game so you won't need the first Dungeon Siege installed, is a carbon copy.. Like Dungeon Siege, Legends of Aranna plays a lot like My First RPG Plot is stock-standard claptrap about a peasant with a rusty knife leaving home to confront great evil, realize his or her destiny, discover lost truths about an ancient civilization, blah, blah, blah.

Still, everyone has seen these sorts of things in role-playing games many times before, and the presentation is marred by an abysmal script.. Such slavish devotion to the kill-collect-level-up treadmill makes the 20-hour dungeon crawl seem a little tired in comparison with its predecessor, although enough of the magic remains to give you a few more late nights.. Dungeon Siege Legends of Aranna Download Free Full Game is a role-playing video game developed by Gas Powered Games and published by Microsoft Game Studios and Mad Doc Software in 2002.
